

# H.E Mr. LONG Kosal

Deputy Director General of APSARA  
National Authority

**Mr. LONG Kosal** was born in 1977. He had been graduated in Bachelor of Management (Tourism and Hospitality) from the University of South Australia, Australia, in 2000 and Master of International Relations from the University of Tsukuba, Japan, in 2005. He had also been attended various training programs supported by UNESCO and major international cooperation countries.

Having joint APSARA National Authority in June 2001, he was first appointed as Assistant to the President Director General of APSARA National Authority and successively promoted to the current position in 2021. Throughout the long career with the APSARA National Authority, he has been pretty much involved with the following tasks: Spokesperson (Public Relations), Cultural and Tourism Development, and Public Order.

Mr. LONG Kosal is currently serving as a Deputy Director General and is assigned to assist the Director General of APSARA National Authority in overseeing the administrative operation of three technical departments: Department of Communication, Department of Angkor Cultural and Tourism Development, and Department of Public Order and Cooperation.
